

MTA | SAFETY COUNCIL

The MTA Safety Council is part of the Minnesota Trucking Association (MTA) where safety professionals come together to promote accident and loss prevention, regulatory compliance, motor vehicle safety, industrial and personal safety, and security and cost control.

Through meetings, programs and committees, the Council fosters relationships and delivers the latest in relevant information to enhance the success of safety professionals and the companies they represent.

Membership is on individual basis and open to anyone who is affiliated with an MTA member company. By becoming a member of the Safety Council, you receive a 13% savings over purchasing meetings individually and are eligible to be on the Safety Leadership Team.

For the 2020/21 programming year we will be switching from in-person meetings to Zoom meetings which will be held from. These meetings will feature breakout rooms to allow for continued small group interaction with industry peers!

2020/21 MEETING SCHEDULE
