Employer certification:

As a representative of the named employer, I certify that the information provided is complete and accurate to the best of my knowledge available to the employer. The employer has completed appropriate due diligence in obtaining the requested information and I am in a position to certify this on behalf of the employer.

I further understand that the information provided here will be relied upon by Blue Cross and Blue Shield of Minnesota and if such information is materially incomplete or incorrect, the coverage will be subject to the rate adjustment, with 30 days' notice.

Name (printed): _____

Title:_____ Date: _____

The purpose of this questionnaire is to obtain information on potential claims and utilization. This information along with requested documentation will be used to determine the appropriate rate level. Your assistance is appreciated.

The following is for informational purposes only

Underwriting Requirements

Blue Cross and Blue Shield of Minnesota Medical

1. Employer address and nature of business.
2. Two years of documented claims utilization from the current carrier. Claims must be broken out by plan if there are multiple plans in place. Utilization must be current and consecutive.
3. Rates that coincide with the claims utilization. This should also include the proposed rates from the incumbent carrier.
4. Benefit outline that coincides with the claims utilization.
5. The number of singles/families and/or members covered by month during the claims utilization period.
6. Employee census. For Medical, this information must include: employee identifier, date of birth, sex, employee home ZIP code, medical plan option elected if multiple plan offerings and single/family coverage type.
7. Employer contribution towards single and family premiums.

Additional Information

Retirees and 1099 Contractors are excluded.
Minnesota Trucking Association membership is required.
