- Enhancing the image of the industry through media and industry programs
- Fleet recognition through safety and driver awards and competitions

“While Coborn’s primary mission is not trucking, our business could not prosper without the trucking unit that serves our stores. A key component to the superior performance of our fleet has been the exceptional support of the MTA through updated regulatory briefings, monthly safety training provided by nationwide industry experts, and an opportunity to network with the finest trucking professionals in Minnesota.”

-Todd Haag, Coborn’s Inc., MTA member of 22 years
